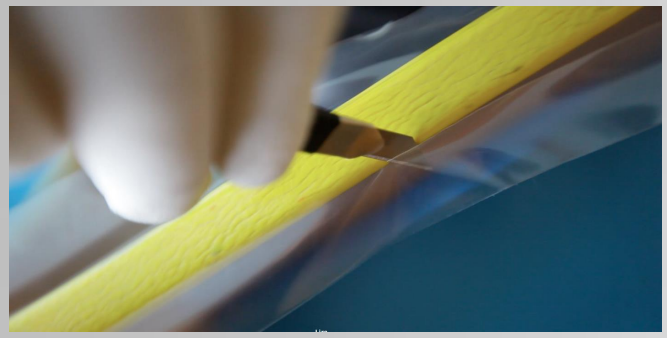
HEXIS®

Update: Nov. 2018

HEXIS PURE ZONE PROTECTIVE LAMINATE IS A VERY INNOVATIVE ANTIMICROBIAL PROTECTION

It is a **transparent self-adhesive film with antimicrobial properties.**

Very thin and soft, it can be applied onto any surface:
- Flat surfaces : walls, counters, tables, doors
- Curved surfaces: toilets, door handles
- Touch screens



Suitable in all kind of environments:

- Hospitals, clinics, medical practices, tattoo shops, dentists
- Nurseries, kindergartens, schools, universities
- Malls, laundries
- Food industry
- Public transportation: vehicles, airports, train stations

The next application could be yours…
